ASX/MEDIA RELEASE

Drilling underway at Turner River Base Metals Project

Perth, Western Australia: De Grey Mining Ltd (**De Grey**, ASX: **DEG**) is pleased to announce that the planned drilling programme at the Turner River Zinc and Silver Base Metal Project has now commenced.

The Mt Magnet Drilling Reverse Circulation (RC) rig arrived at site on Tuesday, 18 November and drilling commenced on Thursday, 20 November.

The six hole, 1800m RC programme is expected to take two weeks to complete drilling. The rig is starting at the Tabba Tabba prospect before moving to the Discovery prospect to complete the programme.

First assay results from the drilling program are expected prior to Christmas with the remainder after that date.
